mediadriven brainwashing that still goes on today? As a marketing professional who respects and admires brilliantly conceived and deftly executed propaganda, I eventually recognized that one of the greatest propaganda campaigns of all time was the masterful marketing of the myth of black inferiority to justify slavery within a democracy. Ingenious.

"Challenging the Myth of Black Inferiority" offers an insightful deconstruction of how we have unconsciously internalised a black inferiority complex stemming from the transatlantic slave trade. Whilst I appreciate that this book was written about African Americans there are many points relevant to myself, a Black British woman.
