Sea-Doo Operator's Guides, Manuals, & Product Information

If the first Sea-Doo looked a bit like the same snowmobile, then in the early 90s, with the start of production of Sea-Doo XPTM, the form became closer to the modern outlines, and the strict environmental rules required a different approach to the engine. Today, Bombardier jet skis have become, according to the developers, 70% quieter and 90% cleaner than the first models.

The operator's guide generally has the model and year of your Sea-Doo
right on its cover. If you don't have the documentation, you should
also be able to see the model right on your jet ski. Frequently,
you'll find it on the right side of your PWC. If you see "GTX" in big
letters, that's the model.
